

Comunidade Católica Shalom - Mother Of Mercy

tom:

Oh mother of mercy
 Our life, our sweetness
 Our hope, sinners and the poor find confort in you
 Pray for us

Oh, mother of tenderness
 You always love and weep with those who
 Weep, you welcome the afflicted who's seeking peace
 Pray for us

Whoever finds their place

Under your mantle
 Even in the midst of tears
 They will find heaven on this earth

In your embrace, there's peace
 In your gaze, there is love
 You're the most graceful hymn
 You are a shelter, a hidden place for us

Oh mary
 Oh mary
 Oh mary
 Oh mary

We are yours
