

Comunidade Sacramentos - Sabes Tudo de Mim

tom: G

Há algo que eu não entendo

Por que insiste em me amar?

Se de inconstâncias me assiste

E ainda insiste em ficar

Ficar do meu lado, ficar bem aqui

O que de bom vês pra te ofertar

Se mãos vazias te venho sempre?

Constranges com teu ardor

Com tanto amor que é real

Real e pra sempre, realmente a mim

Me vê como sou, sabes tudo de mim

Inda quer me amar, quer que eu seja feliz

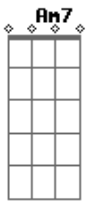

E me ver la no céu, na alegria ser parte

Dos teus, e no teu coração encontrar a paz
