

Comunidade Totus Tuus Mariae - Espírito de Deus

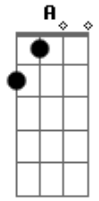

Tom: **A**
Intro: **A D Bm A B E**

Espírito de Deus vem me tocar
 Vem me abraçar, queima-me Senhor
 Com um fogo arrasador
 Espírito de Deus eu quero sentir
 Teu fogo ardendo em mim, inunda-me Senhor

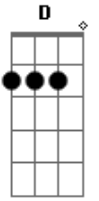

Com as águas do Teu amor, do Teu amor

Espírito de Deus toma posse do que é Teu
 Vem fluir em mim, age com poder
 Aqui neste lugar
 Quebranta meu coração, reveste-me com Tua unção
 Agora eu já sei que sou adorador que já passou
 Pela transformação
