 Intro: F C G F C G

You think you're funny, right?
 Calling me drunk when it's too late at night
 Telling me truths that you know all are lies
 Yeah, you think you're funny, right? (what?)
 You think you're super sly
 Flirting with them but telling me you're mine
 Buildin' me up, but buttercup you lied
 Now I'm gonna ruin your life

'Cause I've gotten tired of the games that you play
 When you tell me you love me then you throw me away
 So cry me a river till you drown in the lake
 'Cause you may think you're winning but checkmate
 Yeah, you may think you're winning but checkmate

Now this is getting fun
 I saw you kissing someone else's tongue
 You said that I'm the only one you love
 Baby, this is getting fun
 I'll let you think you won
 Date in the park, I'll play it super dumb
 Holding your hand, but in the other one
 I'm holding a loaded gun

Yeah, baby you should really run
 'Cause I've gotten tired of the games that you play
 When you tell me you love me then you throw me away
 So cry me a river till you drown in the lake
 'Cause you may think you're winning but checkmate
 Yeah, you may think you're winning but checkmate

And I'mma get you gone
 Can't play me like your pawn
 Set fire to your lawn
 Just like you did to my heart
 And I'mma wreck your car (and I'mma wreck your car)
 And max your credit card (and max your credit card)
 A lover on the large (a lover on the large)
 You're gonna wish you never harmed me
 'Cause I've gotten tired of the games that you play
 When you tell me you love me then you throw me away
 So cry me a river til you drown in the lake
 'Cause you may think you're winning but checkmate

And you did some damage so I'm making you pay
 And no one's ever gonna love you anyways
 'Cause you're just a narcissist who's totally fake
 Yeah, you may think you're winning this heartbreak
 But you aren't gonna win it 'cause checkmate
