

Conan Gray - Comfort Crowd

Tom: G
Intro: C Em Am

C Em Am
This hurt that I'm holding's getting heavy
C Em Am
But Imma keep a smile on my shoulders 'till I'm sweaty
C Em Am
Begging on my knees screaming someone come and help me
C Em Am
But by the time they're there I've already hid the body

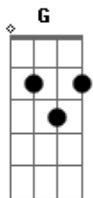

C Em Am
My breath's getting short and I'm unsteady
C Em Am
Welling up in tears as I lay upon your belly
C Em Am
Telling you I'm fine I don't really need nobody
C Em Am
But you say through a sigh that I said that lie already

F C
I just needed company now
G Am
Yeah I just needed someone around
F C
Yeah I don't care what song that we play or mess that we make
G Am
Just company now
C Em Am
Comfort crowd
C Em Am
Comfort crowd
C Em Am
We rot thinking lots about nothing
C Em Am
Yeah I could spend a lifetime sitting here talking
C Em Am
And even if I cry all over your body

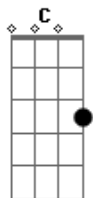

C Em Am
You don't really mind say you like your shirt soggy
F C
Yeah I just needed company now
G Am
Yeah I just needed someone around
F C
Yeah I don't care what song that we play or mess that we make
G Am
Just company now
C Em Am
Comfort crowd
C Em Am
Comfort crowd
C
We mess around
Em Am
And laugh too loud
C Em Am
And make the sounds we try to hide when people are around
C
By blood we're bound
Em Am
Through ups and downs
C Em Am
Through smiles and pouts
C Em Am
Comfort crowd you can always count

F C
Yeah I just needed company now
G Am
Yeah I just needed someone around
F C
Yeah I don't care what song that we play or mess that we make
G Am
Just company now
C
Comfort crowd
