

Conan Gray - Generation Why

Tom: D

Why why why why
Why why why why
Why why why why

A A
I was off

Keying cars parked on radium lawns

E
By suburban moms

A A
I called a friend
Let's meet at ten

D
Go wherever we want

E
'Cause no one cares that we're gone

A
This town don't got much to do

A
You and I haven't got much to lose

D E
Do you wanna rock in your room like we always do?

A
Talk about how fast we grew

A
And all the big dreams that we won't pursue

D E
Then get in your car and laugh 'til we both turn blue

A
'Cause we are the helpless, selfish, one of a kind

A
Millennium kids, that all wanna die

D E
Walking in the street with no light inside our eyes

A
We are the worthless, cursed with too much time

A
We get into trouble and lose our minds

D E
Something that I've heard a million times in my life

E
Generation Why

A
Parents think, we're fast asleep

D E
But as soon as we're home, we're sneaking out the window

A
'Cause at this rate of earth decay

D
Our world's ending at noon

E

Can we all just move to the moon?

A
This town don't got much to do

A
And you and I haven't got much to lose

D E
Do you wanna leave everyone in this place for good?

A
'Cause we are the helpless, selfish, one of a kind

A
Millennium kids, that all wanna die

D E
Walking in the street with no light inside our eyes

A
We are the worthless, cursed with too much time

A
We get into trouble and lose our minds

D E
Something that I've heard a million times in my life

E
Generation Why

A
Why why why why why why why why why

D
We're livin' night to night

A Gbm
Why why why why why why why why why

E
Since we're bound to die, oh

A
Why why why why why why why why why

D
Oh, what's the use in trying?

E
Why why why why why why why why why

E
And it's exactly why
'Cause we are the helpless, selfish, one of a kind

Millennium kids, that all wanna die

A
Walking in the street with no light inside our eyes

A
We are the worthless, cursed with too much time

A
We get into trouble and lose our minds

D E
Something that I've heard a million times in my life

E
Generation why

A D
Why why why why why why why why why

A A D
Why why why why why why why why why

A D
Why why why why why why why why why
