

# Conan Gray - Heather X a Thousand Years X Before You Go

tom:  
 G  
 I still remember third of December  
 Em  
 Me in your sweater, you said it looked better  
 Am  
 On me, than it did you, only if you knew  
 F  
 How much I liked you, but I watch your eyes  
 G D  
 I have died everyday waiting for you  
 Em D  
 Darling don't be afraid I have loved you  
 C C C  
 For a thousand years  
 D D  
 I'll love you for a thousand more  
 G D  
 And all along I believed I would find you  
 Em  
 Time has brought your heart to me  
 D C C C  
 I have loved you for a thousand years  
 D D  
 I love you for a thousand more  
 C  
 Watch as she stands with her, holding her hand  
 Em  
 Put your arm 'round her shoulder, now I'm getting colder

Am  
 But how could I hate her, she's such an angel  
 F Fm  
 But then again, kinda wish she were dead  
 C G  
 So, before you go  
 Am  
 Was there something I could've said  
 To make your heart beat better?  
 F  
 If only I'd've known you had a storm to weather  
 C G  
 So, before you go  
 Am  
 Was there something I could've said  
 To make it all stop hurting?  
 F  
 It kills me how your mind can make  
 You feel so worthless  
 C  
 Why would you ever kiss me?  
 Em  
 I'm not even half as pretty  
 Am  
 You gave her your sweater, it's just polyester  
 F  
 But you like her better  
 Fm  
 I wish I were Heather
