

Conan Gray - Lovesick Boys

tom: Eb (forma dos acordes no tom de C)
 Capostraste na 3ª casa

I was alone for a while
 You came along and you
 Asked me for a smile
 I guess then the stars had aligned
 A flower bloomed, the clouds were rushing out of my mind
 And that's how it goes in the films
 Tears of honeysuckle welling up in your eyes
 A boy meet a girl, they go off the beat the world
 And they both are left unsatisfied
 Well, lovesick boys will write you love songs
 And lovesick girls will always listen
 But what you fail to see's theres plenty of us
 So keep your petals pointing towards the sun
 And bloom
 Bloom
 Bloom

Just bloom, just bloom
 You watch as he walks through the fields
 Crushing pretty daisies under his heavy heels
 He picks you a big one
 It withers in the sun
 You notice that the flower is you
 And i know that he has the charm
 To sweep you off your feet and wrap you around his arm
 But he hurts you like crazy,
 He loves you, well maybe
 But you are so much better than you know that you are
 'Cause, lovesick boys will write you love songs
 And lovesick girls will always listen
 But what you fail to see's theres plenty of us
 So keep your petals pointing towards the sun
 And bloom
 Bloom
 Bloom
 Just bloom, just bloom, just bloom
