

# Conan Gray - (Online Love)

tom:

You only pass through my city  
 Every once in a million seconds on a broken clock  
 Yet we talk like we're living

Only miles, only minutes from another? just around the block  
 As I stare at my screen, shining blue and green  
 All alone in a coffee shop  
 I can't help but imagine what maybe could've happened  
 If you weren't just an online love
