

# Conan Gray - People Watching

tom:

Dm (forma dos acordes no tom de Am)

Capostrate na 5ª casa

[Primeira Parte]

That wasn't funny  
 But she laughed so hard, she almost cried  
 They're countin' months they've been together  
 Almost forty-nine  
 He's making fun of how she acted around the holidays  
 She wears a ring, but they tell people  
 That they're not engaged  
 They met in class?for metaphysical philosophy  
 He tells his friends I like her  
 'Cause she's so much smarter than me  
 They're having talks about their futures until 4 AM  
 And I'm happy for them (I'm happy for th?m)

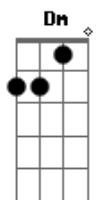

[Refrão]

But I wanna feel all that love and emotion  
 Be that attach?d to the person I'm holdin'  
 Some day I'll be falling, without caution  
 But for now I'm only people watchin'

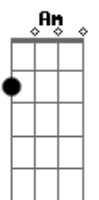

[Segunda Parte]

I'm only looking  
 Just to live through you vicariously  
 I've never really been in love  
 Not seriously

I had a dream about a house behind a picket fence  
 Next one I choose to trust, I hope  
 I use some common sense  
 But I cut people out like tags on my clothin'  
 I end up all alone, but I still keep hopin'

[Refrão]

But I wanna feel all that love and emotion  
 Be that attach?d to the person I'm holdin'  
 Some day I'll be falling, without caution  
 But for now I'm only people watchin'

[Ponte]

Cut people out like tags on my clothin'  
 I end up all alone, but I still keep hopin'  
 I won't be scared to let someone know me  
 Life feels so monotone, but I still keep hopin'  
 Cut people out like tags on my clothin'  
 I end up all alone, but I still keep hopin'  
 I won't be scared to let someone know me  
 Life feels so monotone, but I still keep hopin'

I feel love emotion

[Refrão Final]

But I wanna feel all that love and emotion  
 Be that attach?d to the person I'm holdin'  
 Some day I'll be falling, without caution  
 But for now I'm only people watchin'
