

Concha - Narciso

Tom: E

Fiz um nó no meu pescoço

Sou um esboço

Do que eu queria ver

Mas ninguém me notou

E eu preciso de mais

Mais e mais

Do desejo que me leva ao teu cais

Cordiais

São os elos ancestrais que nos unem com o tempo

E lento

Me vejo num espelho tão cansado

Refrão

(A E Ab Dbm B A E Ab)

Diz qual o meio mais justificado pra buscar o fim

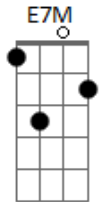

Pr'eu poder pegar o lado errado

E me perder em você

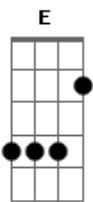

Refrão
