

# Concrete Monkey - Spring in Blood

Tom: E  
Intro: E Bb G

You gotta let it flow  
You gotta take it slow  
You know you won't wake up in a dream  
You better use your sin

E A  
Just let your feeling in a blow  
E C B A  
Or maybe move to mexico

E A  
Just let your soul burning in  
E C B A  
You better use your sin

Em Eb  
Just forgive that time ago

Dm  
The spring in blood is coming in  
C7  
That's why i'm here again

Em Eb  
Just forgive that time ago

Dm  
The spring in blood is coming in  
C7  
That's how i blew again

Em Eb  
Just forgive that time ago

Dm  
The spring in blood is coming in  
C7  
Thats why you better use your sin
