

Conor Maynard - Dusk Till Dawn (Sing Off) (feat. Madison Beer)

Hello, it's me

I was wondering if after all these years you'd like to meet

Send me your location, let's

Focus on communicating

'Cause I just need the time and place to come through

You were the shadow to my light

Did you feel us?

Another star, you fade away

Cause you are unforgettable

I need to get you alone (oeh)

Just gonna stand there and watch me burn

Well, that's all right

Because I like the way it hurts

Can we pretend that airplanes

In the night sky are like shooting stars?

I could really use a wish right now

Wish right now, wish right now

So love me like you do, la-la-love me like you do

Touch me like you do, ta-ta-touch me like you do (ohh)

I remember years ago

Someone told me I should take

Caution when it comes to love

I did

It's been a long day without you, my friend

And I'll tell you all about it when I see you again

So, shine bright tonight

You and I

We're beautiful, like diamonds in the sky

Why, why

I tell them that it's human nature

Why, why does he do that way

Oh won't you stay with me?

Cause you're all I need

We're going down, down in an earlier round

And sugar, we're going down swinging

I'll be your number one with a bullet

A loaded God complex, cock it and pull it, Yeah

Is it too late now to say sorry?

Cause I'm

Missing more than just your body

And I don't, And I don't, And I don't, And I don't

No I don't, it's true

No I don't, No, I don't, No, I don't, No, I don't

Want anybody else but you

You say you can't live without me

So why aren't you dead yet?

Why you still breathing?

And you say you can't live without me

How can I sleep when you're out there

With all my love?

I've become so numb, I can't feel you there

Become so tired, so much more aware

But you'll never be alone

I'll be with you from dusk till dawn

I'll be with you from dusk till dawn

Baby, I am right here

I'll hold you when things go wrong

I'll be with you from dusk till dawn

I'll be with you from dusk till dawn

Baby, I am right here
