

# Conor Oberst - Milk Thistle

Tom: B

(forma dos acordes no tom de G )

Capostrate na 4ª casa

Intro: C Bm C D G  
C D Em C D

[Primeira Parte]

C Bm  
Milk thistle, milk thistle  
C D G  
Let me down slow  
C D Em  
Help me go slow  
C D  
I've been carryin' on  
C G  
I'm not scared of nothin'  
C G  
I'll go pound for pound  
C G  
I keep death on my mind  
C D  
Like a heavy crown  
C D  
If I go to heaven  
C D  
I'll be bored as hell  
C D  
Like a little baby  
Am G  
At the bottom of a well

[Segunda Parte]

C Bm  
Fair child, fair child  
C D G  
How are you man?  
C D Em  
Did you fix that storefront?  
C D  
Did you start that band?  
C G  
Don't be scared of nothin'  
C G  
You go pound for pound  
C G  
You'll bring peace to midnight  
C D  
Like a spotted owl  
C D  
I'll be rootin' for you  
C D  
Like my favourite team  
C D  
If somebody sweats you  
Am G  
You just point 'em out to me

[Refrão]

C Em Am  
All the sights and sounds  
B  
This little world's too crowded now  
C D G  
And there's only one way out  
C Em Am  
An elevator ride  
B  
Through the tunnel towards the light  
C D G  
And I?m nowhere bound  
C Em D  
Keep going up and down  
C Em G  
Up and down

[Terceira Parte]

C Bm  
Newspaper, newspaper  
C D G  
Can't take no more  
C D Em  
You're here every morning  
C D  
Waitin' at my door  
C G  
I'm just tryin' to kiss you  
C G  
And you stab my eyes  
C G  
Make me blue forever  
C D  
Like an Island sky  
C D  
And I'm not pretending  
C D  
That it's all okay  
C D  
Just let me have my coffee  
Am G  
Before you take away the day

[Quarta Parte]

C Bm  
Lazarus, Lazarus  
C D G  
Why all the tears?  
C D Em  
Did your faithful chauffer  
C D  
Just disappear?  
C G  
What a lonesome feeling  
C G  
To be just waitin' round  
C G  
Like some washed up actress  
C D  
In a Tinseltown  
C D  
But for the record  
C D  
I'd come pick you up  
C D  
We'll head for the ocean  
Am G  
Just say when you've had enough

[Refrão]

C Em Am  
All the light and sound  
B  
This little world's too fragile now  
C D G  
And there's only one way out  
C Em Am  
But if you let me slide  
B  
I'll do my best to make things right  
C D G  
And I?m nowhere bound  
C Em D  
Keep going up and down  
C Em G  
Up and down

[Quinta Parte]

C Bm  
Milk thistle, milk thistle  
C D G  
Let me down slow  
C D Em

Just help me go slow  
 I've been hurrying on  
 I was poised for greatness  
 I was down and out  
 I keep death at my heels

Like a basset hound  
 If I go to heaven  
 I'll be bored as hell  
 Like a crying baby  
 At the bottom of a well
