C D Like a heavy crown	Just let me have my coffee Am G
C D If I go to heaven	Before you take away the day
C D	[Quarta Parte]
I'll be bored as hell C D	C Bm
Like a little baby Am G	Lazarus C D G
At the bottom of a well	Why all the tears? C D Em
[Segunda Parte]	Did your faithful chauffer
C Bm Fair child, fair child	Just disappear?
C D G	What a lonesome feeling
How are you man? C D Em Did you fix that storefront?	C G To be just waitin' round C G
C D	Like some washed up actress
Did you start that band? C G	C D In a Tinseltown
Don't be scared of nothin' C G	C D But for the record
You go pound for pound C G	C I'd come pick you up
You'll bring peace to midnight	C D
C D Like a spotted owl	We'll head for the ocean Am G
C D I'll be rootin' for you	Just say when you've had enough
C D Like my favourite team	[Refrão]
C D If somebody sweats you	C Em Am All the light and sound
Am G You just point 'em out to me	B This little world's too fragile now
[Refrão]	And there's only one way out
C Em Am	C Em Am But if you let me slide
All the sights and sounds B	B I'll do my best to make things right
This little world's too crowded now C D G	C D G And I?m nowhere bound
And there's only one way out	C Em D
C Em Am An elevator ride	Keep going up and down C Em G
B Through the tunnel towards the light	Up and down
