

Contato Vital - Liberdade Vigiaa

tom:

C

Am

As armas se levantam

Na luta pela paz

No Oriente médio

Guerra santa o homem faz

Cresce o conflito

A razão se inverteu

O homem acha certo

O erro que cometeu

[Refrão]

Liberdade vigiada

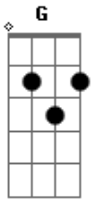

Deuses que não ouvem nada

O cinismo que declara

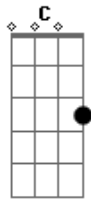

Guerra santa, morte honrada

[Solo] Am F G
