

Coopercats - Cold Feet

tom:

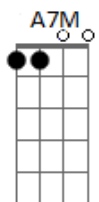

A

Intro:

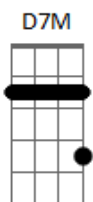

When can we meet again?
 There's so much that we left unsaid
 Last time we said goodbye
 How long has it been now?
 Since you last let your hair down
 There's always so much to do, so much to think

Take a break from this
 Madding crowd

Don't your feet get cold
 When you lie in bed alone?
 Is it strange to come home
 To an empty house?
 I guess that silence keeps you company
 And welcomes you with sympathy
 Wouldn't it please you if I did too?
 Wouldn't it please you if I did too?
 (F7M C Am Em)
 Don't your feet get cold
 When you lie in bed alone?
