

Copeland - Control Freak

tom:
Intro: Em Cadd9 G
Em Cadd9
You lose control when you hold too tight
But turn your head long enough to let it bite
'Cause faith left me staring at the ceiling through the night
It's freaking me out.

And when I fell asleep it plagued my dreams
And thirty bits of glass had become my teeth
They were breaking each and every time I tried to speak
It's freaking me out.

[Refrão]

You're freaking me out.
You're freaking me out.
And I could run like a coward for the door
But I'll never get out,
You're freaking me out.
(Cadd9 Em)

[Verso]

You lose your mind if you lose control
It makes you feel ashamed for the hearts you stole
And now your own heart's scared of an attack
'cause you can't give them back.
You're stressing me out when you prove me wrong,
you're wearing me out 'cause I've searched so long.

Throwing it all away,
I threw it all and I threw it all away.
Well the best part is not knowing just what I threw away.
I threw it all away, hey.

Ooooooh. Ooooooh.

Ooooooooh,
You're freaking me out.
And I keep running right back around for more,
'Cause I'm in love with my doubt,
It's freaking me out.
