

Coral Palestrina - Brilha Uma Estrela

tom:

G

Uma estrela a brilhar

No infinito azul do céu

Já nasceu Jesus, enfim

O nosso grande Rei!

Nesta noite linda, Quanto esplendor
 Nesta noite linda, Quanto esplendor

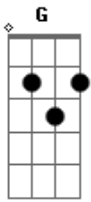

É Jesus que nasce, Nosso Salvador

Uma gruta humilde, Nasce o Rei dos céus
 Não teve lugar, Entre o povo seu

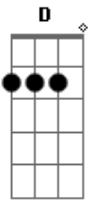

Vida e esperança, A todos sua paz
 Oh! Quanta alegria, Seu Natal nos traz

Oh! Jesus querido, Vinde habitar
 No meu coração, Quero vos amar!
