Intro: G G C D

Quem diz pro sol pela manhã aparecer

E ao oceano até onde pode ir

E quem ordena a lua brilhar

Somente à noite

E quem permite uma estrela cair

Sei que o meu Redentor vive

Sei que o meu Redentor vive

Toda criação testemunha

O quanto ele me ama

Sei que o meu redentor vive

( C D )

E se mesmo Deus criador do infinito

Ampara o aflito e sustenta o mais fraco

E as suas mãos gentis sempre me sustentam

Venceu a morte ele me deu vitória

Sei que o meu redentor vive

Sei que o meu redentor vive

Toda criação testemunha

O quanto ele me ama

Sei que o meu redentor vive

Sei que o meu redentor vive

Sei que o meu Redentor vive

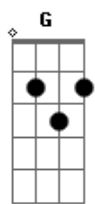

Toda criação testemunha

O quanto ele me ama

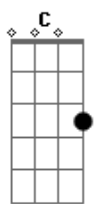

Sei que o meu redentor vivo está

Sei que o meu redentor Vi\_\_\_ve
