

Cordas e Cantos - Hino da Campanha da Fraternidade 2025

tom:

D

Intro: D B Em Db Gbm Eb Em A D (Dm)

1) O Cristo-Deus se fez humano nesta terra //

E às criaturas deu valor e atenção

A vida plena, que no mundo já se espera //

Ganha sentido com a nossa redenção

[Refrão]

Ao entregar o paraíso ao ser humano //

Deus contemplou sua beleza e seus dons

Louvado seja nosso Pai, o Criador //

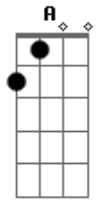

Deus viu que tudo, tudo era muito bom!

2) No universo tudo está interligado //

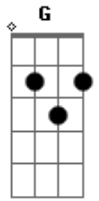

Nele vivemos e, com todos, somos um?

Nesta quaresma, à conversão, somos chamados //

Gm7 A A7
Cuidemos todos desta casa, que é comum!

3) Há muito tempo, o louvor das criaturas //

Já se ouvia em um canto universal

O seu autor, nova expressão ele inaugura //

?Fraternidade e ecologia integral?

4) O ser humano transformou a realidade //

Causou maus-tratos, destruindo a natureza

Abandonou a lei de Deus e sua verdade //

Desrespeitando a criação e sua beleza

5) De toda a terra em nossas mãos, eis o cuidado //

Nós somos todos responsáveis pela vida

Enquanto aqui peregrinamos na esperança //

A criação em nova páscoa é renascida
