```
Tom: Bb
           Eu senti como se morresse quando o vi.
Depois do sorriso dele
Ada mais importava.
Nem se quer com quem geralmente
Ele se entendia
E gozava
                                                      F
He has the most beautifull smile
That i've ever seen
His hair lips and skin
                                        Gm
Were the ones i feel in love with
  Ohhh houer
This is certainly the reason
I'm going to be suffering
In these chapters of my life
Such a strong a feeling
Can not put it out of my mind
```
