## **Cordero - Be Mine**

```
G
Some times I see
He still want to be mine
He's fucking her
I know its a lie
You're not going to fool me
Litle straight gay guy
His gaze to me
Tells me he want
Biting your lips
And touching your
Seated in your
Dirty thorne
With your polo shirt
(GDAGb)
Now his smile is on my mind
His touch on my skin
```

## **Acordes**

```
His lips on my lips
I cant stop feeling me inside him
Is this my journey?
A Gb
Is this my journey?
I've been remebering us
The time use to stop
The lightnin were off
And my eyes were closed
Gb
His hands Always on my cock
Now his smile is on my mind
His touch on my skin
His lips on my lips

I cant stop feeling me inside him
                                            D
