

Corey Taylor - Snuff

Tom: G

m (forma dos acordes no tom de Am)
 Afinação: D G C F A D [Intro] Am

Em F

Am Em F
 Bury all your secrets in my skin

Am Em F
 Come away with innocence, and leave me with my sins

Am Em F
 The air around me still feels like a cage

Am Em F
 And love is just a camouflage for what resembles rage again

(Am Em F)

G
 So if you love me, let me go

Am
 And run away before I know

G
 My heart is just too dark to care

Am
 I can't destroy what isn't there

G
 Deliver me into my fate

Am
 If I'm alone I cannot hate

G
 I don't deserve to have you

F
 Ooh, my smile was taken long ago

Am Em F Am Em F
 If I can change I hope I never know

Am Em F
 I still press your letters to my lips

Am Em F
 And cherish them in parts of me that savor every kiss

Am Em F
 I couldn't face a life without your light

Am Em F

But all of that was ripped apart when you refused to fight

G
 So save your breath, I will not hear

Am
 I think I made it very clear

G
 You couldn't hate enough to love

Am
 Is that supposed to be enough?

G
 I only wish you weren't my friend

Am
 Then I could hurt you in the end

G
 I never claimed to be a Saint

F
 Ooh, my own was banished long ago

Am Em F
 It took the Death of Hope to let you go

(Am Em F)

G
 So break yourself against my stones

Am
 And spit your pity in my soul

G
 You never needed any help

Am
 You sold me out to save yourself

G
 And I won't listen to your shame

Am
 You ran away - you're all the same

G
 Angels lie to keep control

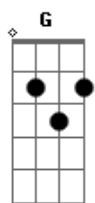

F
 Ooh, my love was punished long ago

Am Em F
 If you still care, don't ever let me know

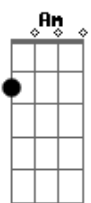

Am Em F
 If you still care, don't ever let me know

[Final] Am Em F
