

Corinhos Evangélicos - Cada Estrada Em Que Eu Andei

Tom: A

Cada estrada em que eu andei

Eu pensei daria certo

Toda terra em que habitei

Terminou em um deserto

Quando Deus achou me em trevas disse : haja luz

Quando Deus achou me em guerras :disse haja paz

Quando Deus acho

Em negras nuvens de tribulação

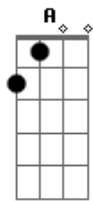

Fez nascer m arco íris no céu do meu coração

Toda vez que eu tive sede deu me de beber

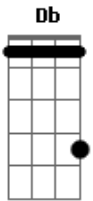

Água viva , deu me de beber

Água viva, deu me de beber
