

# Corinhos Evangélicos - Meu Amado Irmão

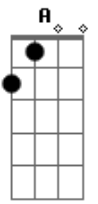

Tom: D

<p>Meu amado irmão, como é doce a comunhão,          Que eu tenho com você.          Foi Jesus que nos uniu e esta união          É baseada no amor de Deus.          E eis a razão deste amor não ser explicado,          mas fundamentado em Cristo Jesus.</p>	<p>Caminhemos lado a lado          Sabendo que não somos iguais          Mas eu posso entender você.          Caminhemos lado a lado          Sabendo que não somos iguais,          Mas eu posso lhe entender          Porque temos o mesmo Pai.</p>
