Tom: C
Intro: C7

Em7
I wait for you.
I don't know why.
All I know is I can't hide.
At this temperature you could take over my mind.
Like gossamer, you softly touch.
He draws me in, I'm powerless.
He possesses an enchantment.

I wait for you.
I'm mesmerized this love is like a potion in disguise.
I'd tightrope walk with a blindfold on my eyes.
I can't escape, or so it seems.
I'd run away, he's in my dreams.
He possesses an enchantment.

(Em7 C7 Am7 Em7 C7 Am7 Em7)
It's the kind of sleepwalk that never ends.
A type of loan with no dividends.
It's a parlour game where you're given chase.
Guess it could be called an acquired taste.
I know, he knows, he calls, I go, I know.
This could be an enchantment.
