

# Corinne Bailey Rae - Enchantment

Tom: C  
Intro: C7

Em  
I wait for you.  
I don't know why.  
All I know is I can't hide.  
At this temperature you could take over my mind.  
Like gossamer, you softly touch.  
He draws me in, I'm powerless.  
He possesses an enchantment.

Refrão:

Am Am Am D Am  
Tell me I'm forgiven.

Am Am Am D Am F Em G  
He calls, don't know how I fell under his spell.

Am Am Am D Am  
Lately I've been driven.

Am Am Am D Am  
He smiles, an enchantment.

(Em C7 Am Em C7 Am Em )  
I wait for you.  
I'm mesmerized this love is like a potion in disguise.  
I'd tightrope walk with a blindfold on my eyes.  
I can't escape, or so it seems.  
I'd run away, he's in my dreams.  
He possesses an enchantment.

(REFRÃO)

(Em C7 Am Em C7 Am Em )  
It's the kind of sleepwalk that never ends.  
A type of loan with no dividends.  
It's a parlour game where you're given chase.  
Guess it could be called an acquired taste.  
I know, he knows, he calls, I go, I know.  
This could be an enchantment.
