

# Corinne Bailey Rae - Feels like the first time

Tom: D

**Bm**  
 I could pretend that I was okay  
**A** **D** **Gb**  
 I wind around the parties, drink in hand  
**Bm** **Em**  
 I could pretend when you went away  
**A** **D** **Gb**  
 That I had changed and I no longer hear the band  
  
**Bm**  
 But I won't lie  
 I found a love  
  
 I had to rediscover **B**  
  
 I was emotionally scarred we could not get it away **Em**  
  
 There are times when it breaks and I feel amazed **Gm**  
  
**Em** **Gm**  
 Feels just like the first time when you kiss me, my lover  
 Angels in the sky will descend on our love  
  
**F7**  
 And it's hard to deny what is happening  
  
**Bbdim**  
 Although we talk, talk, talk on the telephone  
  
**Gb7**  
 We laugh, laugh, laugh at the things we know  
  
**Bm** **Em**  
 I've been a soldier for much too long  
**A** **D** **Gb**  
 I'd willingly surrender all my arms  
**Bm** **Em**  
 If you decided you won't be long  
**A** **D** **Gb**  
 I'd wait here patient for you  
 Look for you every morning  
  
**Bm**  
 Had this love  
 These were sparks **B**

We tried to push it on but  
 I was afraid of the dark  
  
 We could not get it away **Em**  
  
 Never mind what they say **Gm**  
 I would feel the same  
  
**Em**  
 Feels just like the first time when you kiss me, my lover  
**Gm**  
 Angels in the sky will descend on our love  
**F7**  
 And it's hard to describe what is happening  
  
**Bbdim**  
 Although we talk, talk, talk on the telephone  
  
**Gb7**  
 We laugh, laugh, laugh at the things you know  
  
 (1x) **Em A7 D7 B7**  
  
**Em** **A7**  
 If I could choose then my heart would be in it,  
**D7**  
 My charms would be in it,  
**B7**  
 My love would be in it  
  
**Em**  
 I know you heard me on the telephone  
**A7**  
 I know you knew that I was coming for you  
**D7** **B7**  
 But you still won't give me the answer ohhh  
**Em**  
 Feels just like the first time when you kiss me, my lover  
**Gm**  
 Angels in the sky will descend on our love  
**F7**  
 And it's hard to describe what is happening  
  
**Bbdim**  
 Although we talk, talk, talk on the telephone  
  
**Gb7**  
 We laugh, laugh, laugh at the things you know
