

## **Corinne Bailey Rae - Trouble Sleeping**

```
Tom: Eb
   (Fm - Bb - Cm7 )
(Fm - Cm7 )
It's late and I'm feeling so tired
Having trouble sleeping.
This constant compromise
            G7
Between thinking and breathing.
        G7
Just don't say I'm falling in love
(Fm - Cm7)
Some kind of therapy
Is all I need
Please believe me
Some instant remedy
            G7
That can cure me completely
(REF )
                                      Cm7
Just don't say I'm falling in love
             Cm7
```

```
'cause I've been there before and it's not enough
So nobody say it
            Bb7
Don't even say it
             G7
I ve got my eyes shut
Won't look, oh
                          Cm7
No, I'm not in love
(REF )
(Fm - Cm7 )
Just don't say I'm falling in love
Falling in love
Just don't say I'm falling in love
Oh, yeah
Falling love ooh
Oh, oh, don't say that I'm falling in love, don't say that, oh
Just don't say that I'm falling in love, yeah Just don't say that I'm falling in love Don't say but in the answer
'Cause I'll never give in
0h
Falling in love
Yeah
0h
```
