

Cornelius - Chapter 8 - Seashore And Horizon

```
(green, green, green, green)
                           tom:
               A (forma dos acordes no tom de G )
Capostraste na 2^{\underline{a}} casa
                                                              The Mean, mean, meaning is obscure- I know
                                                              Now I've seen a blue beginning (now I go)
           G
                                                              And I've seen a blue "The End" (now I know)
Now I see the trees are thinning
My eyes see the seashore there
                                                              Set the scene for seaward swimming (now I go)
                  A7
Shimmering, the sea is brimming
                                                              Dim the stage again
Simmers salty air
                                                                    G Em
                                                              If I don't guess then I won't know
G G Em
If I don't guess then I won't know
                                                                  G Em
                                                                                 G C Cm
                                                              I'll never yes, I'll never no
Now I've seen a blue beginning (now I go)
                                                              Dream, dreaming of a sound
And I've seen a blue "The End" (now I know)
                                                              (dream, dream, dream)
                    A7
Set the scene for seaward swimming (now I go)
                                                              Scream, screaming underground
Dim the stage again
G G Em
                                                              (scream, scream, scream)
If I don't guess then I won't know
                                                              It's green, green, green, now I'm sure
Dream, dreaming of a sound
                                                              (green, green, green, green)
(dream, dream, dream, dream)
                                                              The Mean, mean, meaning is obscure- I know
                                                              Now I go
Scream, screaming underground
                                                              Now I know
(scream, scream, scream)
It's green, green, green, now I'm sure
