

Cory Asbury - Kind

tom:

Intro: Bm A D G

[Primeira Parte]

Sometimes marriages don't work, and sometimes babies die

N.C. Sometimes rehab turns to relapse and you're left just askin' why

And for all the prayers I've prayed, I still wonder if He's real

And if He is, how is He choosin' who He does and doesn't heal?

[Refrão]

I've tried to run from Jesus, I've started holy wars

I've tried the patient waitin' and the kickin' down the doors

I've cursed His name in anger with my fist rais'd to the sky

And in return, all He's ?ver been is kind

(Bm A D G)

[Segunda Parte]

And I've burned my share of bridges

I learned to tuck my tail and run

Watch the wreckage in the rear view

From all the crooked things I've done

And I know that He forgives me

But it's hard to forgive myself

I can't help but think amazing grace is for everybody else

[Refrão]

I've tried to run from Jesus, I've started holy wars

I've tried the patient waitin' and the kickin' down the doors

I've cursed His name in anger with my fist rais'd to the sky

And in return, all He's ?ver been is kind

All He's ever been is kind

[Ponte]

And I know I wasn't there

But when I look up at the cross

I see the darkest day in history

I guess that's what kindness cost

[Refrão]

I've tried to run from Jesus, I've started holy wars

I've tried the patient waitin' and the kickin' down the doors

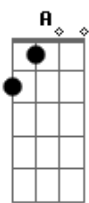

He knows I don't deserve it, but he's never changed his mind

All He's ?ver been is kind

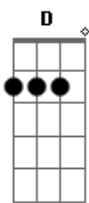

All He's ever been is kind

[Final] G
