<sup>Gm</sup> It's been a little while now since I last saw your face,

<sup>Gm</sup> I still think about your childhood and the future you did waste.

<sup>D</sup> I guess you felt you don't belong here and that haunts me every day.

<sup>Gm</sup> And I know that I get lonely when I think about your smile,  
<sup>Gm</sup>

<sup>Eb</sup> And there's moments when I know I could have helped or should have tried,

<sup>F</sup> And I'm sorry I get angry when I know what you have lost,

You're not alone.
