

Counting Crows - Around Here

Tom: **G**

Hey, what's up
 this is a really great song, and a really great band.
 when you play the E minor chord keep your fingers on the bottom
 two strings in the 3rd fret, like a **G** chord.
 any questions our comments, email me at
 (doesn't include the intro part)

C **D**
 E minor
 step out the front door like a ghost into a fog where no one
 notices the

G
 contrast of white on white.

C **D**
 E minor
 And in between the moon and you, angels get a better view of

the crumbling

difference between wrong and right.

C **D**
 I walk in the air, between the rain, through myself and back
 again where

E minor
 I don't know.

C **D**
 E minor
 mariah says she's dying, through the door i hear her crying
 why, i don't know.

C **D**
 'round here, we always stand up straight.
