Guitar 2 is an electric, tuned down 1/2 step
Guitar 3 is an octave mandolin, tuned down 1/2 (Gb Db Ab Eb )
                                                   Bridge: chords- Dm C Am G
Guitar 4 is a pedal steel
                                                   Don't come around here
Note: All chords given are SOUNDING chords, not fretted chords
                                                                          Am
Note: Fills are numbered according to which guitar plays them;
                                                   1--6----
                                                                    -----
                                                    --7-----1h2-----1--
I.E. Fill 2C is the third fill played by guitar 2
                                                    --8-----1--| Guitar
Note: Except for the bridge, both guitars 1 & 2 are playing
                                                   |--8-----6----|
intermittently, so their parts have all been labeled as fills.
Occasionally, during the choruses, guitar 1 strums the chords
step higher), but otherwise, everything is as notated. The
