

Courtney Barnett - Elevator Operator

Acordes

```
The elevator dings and they awkwardly step in
            Gbm7
Their fingers touch on the rooftop button
Don't jump little boy, don't jump off that roof
You've got your whole life ahead of you, you're still in your
I'd give anything to have skin like you
He said "I think you're projecting the way that you're feeling
I'm not suicidal, just idling insignificantly
I come up here for perception and clarity
I like to imagine I'm playing SimCity
                        Gbm7
All the people look like ants from up here
                        Gbm7
And the wind's the only traffic you can hear"
He said "All I ever wanted to be
              Gbm7
Was an elevator operator, can you help me please?"
Don't jump little boy, don't jump off that roof
You've got your whole life ahead of you, you're still in your
I'd give anything to have skin like you
Don't jump little boy, don't jump off that roof
You've got your whole life ahead of you, you're still in your
I'd give anything to have skin like you
