

Courtney Barnett - Everybody Here Hates You

Tom: E
Intro: E A E

I feel stupid, I feel useless, I feel insane
I feel toothless, man you?re ruthless, oh?yeah
I go to Loving Hut, i get my hair cut, i feel the same
I feel putrid, i?m getting used to it, these days

[Refrão]

You said, ?it?s only in your head
They?re probably thinking
The same thing?

[Solo] E A E

I?m bleeding, you?re leaving, i feel strange

You been distant, you seem different than yesterday
Everybody hurts, everybody breaks, n everybody fades
We?re gonna tell everyone it?s ok
We?re gonna tell everyone it?s ok
We?re gonna tell everyone
Tell everyone
Tell everyone
Everyone
It?s ok

[Refrão]

You said, ?it?s only in your head
They?re probably thinking
The same thing?
