 With pearly gates and streets of gold  
 F G  
 He said if I just believe that's where I'll go  
 C F C F  
 Lord when I die I wanna live on the outskirts of Heaven  
 C  
 Where there's dirt roads for miles  
 F G G  
 Hay in the fields and fish in the river  
 Am  
 Where there's dogwood trees  
 G F  
 And honey bees and blue skies and green grass forever  
 C F C  
 Lord when I die, I wanna live on the outskirts of Heaven

 Now it says in the King James in the Almighty's kingdom

 Now I'd gladly trade it for a farm house with acreage

 And a squeaky front porch swing

 That's where I wanna hang my wings  
 C F C F  
 When I die I wanna live on the outskirts of Heaven
