Intro:

Verse:

Now that I've....

Here in.....

I search for....

In grade one....

She'd stuff....

She told us....

In the science....

Who lay very still....

In his cage.... And we feed...

Living flies....

Then she'd read....

But first she....

We'd here of....

In the science....

I remember now....

 In my house.... By the seaside....

Swatting flies.
