

Crash Test Dummies - The Ballad Of Peter Pumpkinhead

Tom: D

Guitar Riff- (Stab) (Stab) (Stab)
 (Stab)

This is played four times as an intro (drums come in the second time, and harmonica and Hammond come in the third time). Although the chords for the links between the verses are different, I think the riff is played over these as well. It's kind of hard to tell what the guitar is doing after the intro, since it disappears in the mix.

(Let's begin)

Peter Pumpkinhead brought to shame
 Governments who would slur his name
 Lusts and sex scandals failed outright

But he made too many enemies
 Of the people who would keep us on our knees
 Hooray for Peter Pumpkin
 Hooray for Peter Pumpkinhead

Peter Pumpkinhead was too good
 Had him nailed to a chunk of wood
 He died grinning on live TV
 Hanging there he looked a lot like you and an awful lot like me

But he made too many enemies
 Of the people who would keep us on our knees
 Hooray for Peter Pumpkin
