

Crazy Ex-Girlfriend - Anti-depressants Are So Not a Big Deal

tom:

Intro: **G A Gb Bm**
G A Gb Bm

G
Fluoxetine, fluoxetine!
A
Paroxetine, paroxetine!
Gb
Citalopram, citalopram!
Bm
Take once a day
G
Fluoxetine, fluoxetine
A
Paroxetine, paroxetine
Gb
Citalopram, citalopram
Bm G
May cause dry mouth

G A D
From the moment that we learn to walk and speak
Gbm Bm
Our parents tell us everyone's unique
G D
Now, I'm not saying that advice is bad
Gbm D
But honey, you're not special 'cause you're sad

Not special, no you're not

G A
The butcher, the baker, the grocery clerk
Gb Bm
They're all on 20 milligrams or so
G
The movers

The shakers
A
The happy homemaker
Gb Bm
You'd be surprised how many of them know

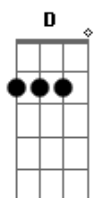

G A D
Anti-depressants are so not a big deal
G
Big whoop, you're on an anti-depressant

A D
Sweet cheeks, here's the deal

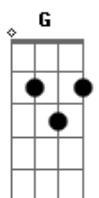

G A
Welcome to the club with open admission
Gbm Bm
You're cast in the play that has no audition
G A
Yes, everyone is special, that's usually the sitch
Gbm A D
But when it comes to meds, you're such a basic bitch

G A
I lost my job and for six months, I couldn't leave my bed,
yeah!

When my husband died, I stopped bathing and watched Christian TV instead, ooh!

G A
Now we're on pills and it's less of a slog
Gb Bm
Just ask any abused rescue dog

G A
The origins of life are messy and imprecise
Gbm Bm
We're all the result of natural selection
G
True! So why should I feel crappy
A
About something that makes me happy?

Gb Bm
Though it may be hard to maintain an erection

G
Maybe you should adjust your dosage!
A
I already tried that, didn't work

G
Have you tried another medication?

A
Yep, but that one made me gain weight

G A
Oh, that totally happened to me. It got better within a few months

Thanks, cool!

G A D
Anti-depressants are so not a big deal
G
Big whoop, you're on an anti-depressant

G A D
Take two with or without a meal

(**A Gb Bm**)
(**G A Gb Bm**)
(**G A Gb Bm**)
(**G A**)

Fluoxetine, fluoxetine

Paroxetine, paroxetine

Our lawyers won't let us say brand names **G**

G A D
Anti-depressants are so so so so not a big deal

G
Big whoop, you're on an anti-depressant

D A
Connor, heel!

G A
Some cry that in the past, we didn't medicate everyone

Gb Bm
Cool, witch trials and the Crusades sound like so much fun

G A
Anti-depressants are so common

G A D
That taking them is all we have in common
