Crazy Ex-Girlfriend - Face Your Fears (Feat. Donna Lynne Champlin)

```
And stay right there!
                                                                                                (That?s not how smoke or fire
                              tom:
                                                                   works.)
                 С
                                                                   A7sus4 D
                                                                                           D
                                                                              Bb
                С
                                                                                Face your fears!
I used to be afraid
                                                                                D7
    Gm
                                                                   Run with scissors! (Whoa.)
Of so much in this world
                                                                    ?Cause you can fly
      F
I?d tiptoe through each day, like some
Fm
                                                                    Yes, you can fly
Frightened little girl
                                                                                  D
                                                                    Fly out of a window. (Who are you singing to?)
Then one day I realized I can?t just
                                                                             Bm
                                                                    Gb7
                                                                    Fly off a building!
              E7
                      Am
Run and hide from life
                                                                                      Fm
                                                                    Just believe in yourself
Bb
Now if someone pulls a gun on me
                                                                              D
                                                                        Face your fears! (Okay, I have so many problems with--)
            G
I pull out my knife!
                                                                                Bm
                                                                    ?Cause the children are the future!
(I don?t follow.) Sit on my lap like I?m Santa and listen to
                                                                    (Bm F G F G)
me
           C
                                                                                C
Face your fears
                                                                    Face your fears! (Face your fears!) (Oh my God.)
           C7
                                                                                  Gm
                                                                    Follow your dreams! (Follow your dreams!)
Stare them down
           F
                                                                    C7
                                                                                  F
Don?t be scared
                                                                   Stare at the sun! (Stare at the sun!)
           Fm
                                                                                 Fm
Stand your ground
                                                                   Play in the street! (A busy street!)
            С
                                                                    If you?re scared of bees, (If you?re scared of bees)
?Cause nothing is as scary
                                                                    E7 Am
    G E7 Am
                                                                    Get stung! (Don?t have an EpiPen ready!)
As it appears
                                                                                    F
                                                                    Reach for the stars! (Literally touch a star)
Dm
         C
            F
All you gotta do
                                                                    Face your fears! (Stars aren?t that hot!)
Is face your fears
                                                                                  D
                                                                    Face your fears! (Face your fears!)
                                                                                  Am
(Okay, I think I?m starting to get it--)
                                                                    Join the Marines! (Join the Marines!)
                                                                   D7
                                                                   Swim right after eating! (Don?t wait 30 minutes!)
      С
If a bear runs at you in the woods
                                                                                  Gm
                                                                    ?Cause you are amazing! (So amazing!)
Dm
     C
Don?t run away. (Yeah, I?m back here, sing to me.)
                                                                                  D
                                                                   Wipe back to front! (Don?t wipe front to back!)
       Dm
Look it deep in the eyes
                                                                                G
                                                                                                     Gm
                                                                   Drop out of school! (School is stupid)
        Dm
Put your hand on its chest, and say
              CΓ
                                                                              G
                                                                   D
                            (Well that?s just dangerous.)
                                                                   All you gotta do (Is face my fears?)
?Bear, I?m not afraid!?
                         С
        F
If you?re in a burning building
                                                                    Is face your (Fears, I got it)
    E7
             Am
                                                                    G D Dm
And smoke is everywhere
                                                                    Feeeeeeeeears!
Dm
                    C
     Keep calm, take a deep breath
                                                                    [Final] G D
         Dm C F
