

Crazy Ex-Girlfriend - Oh My God I Think I Like You

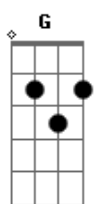

tom:
 You've been tearing me up for a week and a half
 I don't mean like in my heart
 I mean physically, you've been tearing me up
 It's D-Day in my lady parts
 But as I'm begging for more
 Writing around on the floor
 I feel something deep inside I never felt before
 Oh my God, I think I like you
 Oh my God, I think I like you
 It's scary, but you send me back on my heels
 ?Cause while I'm getting spanked, I can't ignore the feels
 But I say no, no, no! This is just about sex
 And no, no, no! Don't be such a girl, Bex
 But then I feel the Oxytocin creeping back to my brain
 And all I can do is sing it again
 Oh my God, I think I like you
 Why can't I just focus on getting a pounding
 Or the business going on in my thighs

But as my body's getting ruined, like really trashed
 I only wanna look in your eyes
 But then I'm upside down next to my kitchen sink
 And suddenly it's like Oh my God, I think
 I like you
 Oh my God, I think I like you
 My feelings get stronger every day
 I'm like a little girl, not in a role playing way
 Are there condoms that can prevent these feelings
 Is there spermicidal lubricant that can kill
 The fluttering in my heart
 Is there an I - U - D that can stop the image of you and me
 Getting married on a hillside surrounded by ducks
 And then we get into a rowboat
 Oh my God, I think I like you
 Oh my God, I think I like you
 But I say no, no, no
 No, no, no
 No, no, no
 No, no, no
 No, no, no
