

Crazy Ex-Girlfriend - Women Gotta Stick Together

tom:

C

C

Women gotta stick together

G7
Each and every day

Dm G7
Women gotta stick together

Gm7 C7
In each and every way

F

Females helping females

Em7 A7
For the greater good

Dm G
Sisters helpin' sisters

Dm G C
That's called sisterhood!

F

Women have the power

G C
The power to make a change

F C
Like this girl should pluck her eyebrows

G C
And those jeans should be exchanged

You really need a size up!

Em

Some girls are born tall and thin

Em Am
And some are short and fat

Dm
This girl smells like sausages

G
But there's nothing wrong with that!

C

Women gotta stick together

G7
All across this land

Dm G7
Except Denise Martinez

Gm7 C7
That bitch I cannot stand

C7
Oh, hey, Denise!

C7

Hey, girl!

F

Females helpin' females

Em7 A7
Like this girl here with the blotchy face

Dm G
She banged her best friend's boyfriend

Dm G C
In the bathroom of that half-priced sushi place

C
What?

C
Oh, you didn't know?

F

So let's all spread this message

Dm C
Like Caitlin spreads disease

F C
'Cause a change is coming faster

Dm G
Than Ashley drops to her knees

F

Together we can clear these hurdles

Dm C
Except Marissa 'cause she's four-foot-eight

F C
We can climb every mountain

Dm G
If the rope can support Haley's weight

D

Women gotta stick together

A
Do everything we can

Em A
So if some weird troll named Rebecca moves here from New York
and is all up on my boyfriend

I'm gonna

Am D
Lend her a helping hand!

G

Women gotta stick together

Gbm B
And tell each other the truth?

Em A
The truth is you're all fat sluts

Em7 A D
And that's called sisterhood
