

Crazy Ex-Girlfriend - Women Gotta Stick Together

Hey, girl! tom: Females helpin' females Women gotta stick together Like this girl here with the blotchy face Each and every day She banged her best friend's boyfriend Dm In the bathroom of that half-priced sushi place Women gotta stick together In each and every way What? Oh, you didn?t know? Females helping females For the greater good So let?s all spread this message Sisters helpin' sisters Like Caitlin spreads disease That?s called sisterhood! 'Cause a change is coming faster Than Ashley drops to her knees Women have the power Together we can clear these hurdles The power to make a change Like this girl should pluck her eyebrows Except Marissa 'cause she?s four-foot-eight And those jeans should be exchanged We can climb every mountain If the rope can support Haley?s weight You really need a size up! Some girls are born tall and thin Women gotta stick together And some are short and fat Do everything we can So if some weird troll named Rebecca moves here from New York This girl smells like sausages and is all up on my boyfriend But there's nothing wrong with that! I?m gonna Women gotta stick together Lend her a helping hand! All across this land Women gotta stick together Except Denise Martinez And tell each other the truth? That bitch I cannot stand The truth is you're all fat sluts Oh, hey, Denise! Fm7 And that's called sisterhood Acordes
