VERSE 1
                                                            Riff # 2
It's getting near dawn
                                                                          F G
                                                                 G
When lights close their tired eyes
                                                             I'll stay with you darlin', now
    D
I'll soon be with you my love
                                                             I'll stay with you till my seas are all dried up
    C D
give you my dawn's surprise
                                                            Chorus
          F G
I'll be with you darlin', soon

          F G
I'll be with you when the stars start falling D C D
                                                            3rd Verse
                                                                        C D
Chorus
             С
                                                             I'm with you my love
I've been waiting so long
                                                             The light shining through on you hoo.
         C G
To be where I'm goin'
                                                                    D
