Tuning: Normal
For a strat with crybaby original go to the neck pickup for
wah sound!!

   /  \     - /      \ /\   /  \/      \                        
After that there is some weird stuff under the symbol roll, I
can't figure it out.
Try playing something like that quietly.

First verse wah patteren:
