

Creed - Away In Silence

Tom: A

(intro) E B D D E B D A A Am

You walked away in silence

You walked away to breathe

Stopped and turned around to say goodbye to me

I'm pleading as your leaving I'm begging you stay

I'm not the man I used to be, I've changed

I'm not the man I used to be, I've changed

Don't give up on us, don't give up on love

Don't give up on us, don't give up on love

If my life is the price, then my life it will cost

Now that I'm picking up the pieces see the pain that I have caused

It's hard to believe in someone you thought was lost

Don't give up on us, don't give up on love

Don't you walk away in silence...

(reintro) E B D D

In tears you counted reasons

Tears covered you it seemed

Face down screaming "God help me please"

I'm pleading as your leaving I'm begging you stay

I'm not the man I used to be, I've changed

I'm not the man I used to be, I've changed

Don't give up on us, don't give up on love

Don't give up on us, don't give up on love

If my life is the price, then my life it will cost It will cost my life

Now that I'm picking up the pieces see the pain that I have caused

It's hard to believe in someone you thought was lost

Don't give up on us, don't give up on love

Don't you walk away in silence...

Please come back to me

Don't you walk away in silence

I'm not the man I used to be!

Well I pray that tomorrow you'll be home

We can rebuild and forever we can go on

Go on, and go on

We can go on, well I pray that tomorrow you'll be home

Look at horizons and let the light bring you home, bring you home

Don't give up on us, don't give up on love

Don't give up on us, don't give up on love

Don't give up on us, don't give up on love

If my life is the price, then my life it will cost It will cost my life

Now that I'm picking up the pieces see the pain that I have caused

It's hard to believe in someone you thought was lost

Don't give up on us, don't give up on love

Don't you walk away in silence...

Please come back to me

Don't you walk away in silence

I'm not the man I used to be!
