When I'm all alone

When shadows paint the scenes

Where spotlights use to fall  
and I'm left wondering

Is it really worth it all?

There's a peace inside us all

Let it be your friend

It will help you carry on

In the end

There's a peace inside us all

( Em G D )

Em G  
Life can hold you down

D  
When you're not looking out  
can't you hear the sounds

Em  
Hearts beating out loud

Although the names change

Inside we're all the same  
Why can't we tear down the walls,

And show the scars we're covering?

There's a peace inside us all

Let it be your friend

It will help you carry on

There's a peace inside us all
