 When I'm all alone

And no one else is there
 Waiting by the phone

To remind me I'm still here

When shadows paint the scenes

Where spotlights use to fall
 and I'm left wondering

Is it really worth it all?
 There's a peace inside us all

Let it be your friend

It will help you carry on

In the end

There's a peace inside us all

(^{Em}Em ^GG ^DD)

 Life can hold you down

When you're not looking out
 can't you hear the sounds

Hearts beating out loud

Although the names change

Inside we're all the same
 Why can't we tear down the walls,

And show the scars we're covering?

There's a peace inside us all

Let it be your friend

It will help you carry on

In the end

There's a peace inside us all

[Solo] ^CC ^GG ^DD

There's a peace

Oh, there's a peace inside us all

Let it be

Oh I said let it be your friend

Oh, can't it be your friend?
